

**General Design features:**

- The smaller bevel clusters are made from a light green glass while all larger ones are clear.
- All panels are waxed and polished with hanging chain and hooks for wood window frames.
- Glass around the cluster and border can vary.
- Optional hardwood framing (cherry, walnut, mahogany, stained oak) is \$25 to \$45 extra.
- Packing, shipping and insurance varies by panel size, and distance from Durham, NC.

**Panel Cost (10/2009, subject to change):**

- Small Trefoil Cross – \$125
